HELMET POLICY DETAILS

APPLICATION

This updated Helmet Policy shall apply to all matches in Queensland Premier Cricket.

INTRODUCTION

Queensland Cricket – supported by Premier Cricket clubs - has updated the Helmet Policy in June 2026, following from changes made to the Australian Cricket Concussion and Head Trauma Guidelines.

WHAT HAS CHANGED?

In addition to the current Helmet Policy, from the 2026/27 season it will be compulsory for the batters to wear a British Standard 7928:2013 compliant helmet **with a neck protector** when batting against fast or medium paced bowling in ALL Premier Cricket competitions.

It will continue to be compulsory for all junior cricketers (those under 18 years of age) in all Premier Cricket competitions to wear a British Standard 7928:2013 compliant helmet with a neck protector at all times when batting.

OBJECTIVE

This policy's objective is to improve the safety of batters and to reduce the potential for concussion and head trauma to occur in Premier Cricket competitions.

ENFORCEMENT

Umpires continue to be responsible for ensuring that a helmet (and neck protector where applicable) are being worn when required by the policy.

HOW DO I GET A NECK PROTECTOR?

Many helmets that have been sold in the past 5 years may already be compliant with the policy as they may have had the neck protection attachments supplied when purchased. If you do not have the neck protection attachments then your helmet may be able to be retrofitted.

Contacting a helmet supplier to check this is advised:
